Agenda Item 12. IRL Council Board of Directors Reports

Deb Denys reported that the Volusia County Reasonable Assurance Plan has been finalized and submitted to FDEP with 13 strategies to reduce loading to the IRL. The plan is a good starting point and Volusia is encouraged to go forward. She also noted that Boston Whaler and Marine Consultants Architects DME will sign on as IRLI² members.

Curt Smith mentioned that Duane De Freese's presentation in Brevard County was impressive and that NEP success is dependent on gaining funding support to address wastewater issues. Matching funding from the state is important. He expressed disappointment in state officials who have not delivered on securing recurring funding. He would propose 3 motions:

Chris Dzadovsky asked Carolyn Ansay if a motion is required, or if consensus of the Board is enough. She replied either way is fine, but that consensus is enough.

CURT SMITH MADE A MOTION THAT THE BOARD OF DIRECTORS DIRECT DR. DE FREESE TO WORK WITH DREW BARTLETT AND STATE LEGISLATORS TO DEVELOP POLICY POSITION(S) TO SECURE MATCHING FUNDS FOR PROJECTS AND PROGRAMS DIRECTED AT REPAIRING THE IRL IN ORDER TO CREATE LEVERAGE. MR. SMITH AGREED AND WITHDREW THE MOTION.

Chris Dzadovsky noted that St. Lucie County has decided to move forward with a referendum on a half-cent sales tax for the lagoon, drainage, and roads. It is expected that would generate about \$15M per year, not entirely for the IRL, but it will certainly help.

Deb Denys asked if the county had gotten through the OPAGA requirements. St. Lucie will be a test case. Ms. Denys noted that Volusia County may go forward with a sales tax referendum as well and are wondering how to get past this new law.

Duane De Freese thanked Ron Jon's Surf Shop and Doug Bournique for participating in a photo opp at Ron Jon's to accept a \$5,000 donation to the IRL Council from the Beach and Boards Festival event.
